

I just think U people at congress should get a life!!!!!!I'm tired of u people telling me how to live!!!!!! XM didn't do anything wrong,they are just making something we had for generations better,and u jerks want to take it away.

I'm paying a monthly fee for the service,so why U guy's must step in?????????Is it the Jannet Jackson thing again,I hope not!!!!!!

Well I think regular radio SUXXXXX!!!!!!!!!!!!!!  
That's why I got XM,and if U don't like it than tough,it's not their fault that they have a better service than yours,so why should they be punnished??????? Well,if U give them any problems,u are just a bunch of COMMUNIST!!!!!!

Sincerely,  
John
